OUR EXPANSION PLANS HAVE BEGUN

Dear Family & Friends,

We have started our expansion at Hooves & Paws Rescue, Inc. We have been lucky enough to get our additional land that we so desperately need. The land was donated by a wonderful lady who wishes to remain anonymous.

We are planning a Family Fun Day to benefit Hooves & Paws Rescue, Inc. Our goal is to raise enough funds to help with the cost associated with our current expansion. These costs include, horse fencing, a steel barn, building materials for a small wood building for rescued large breed dogs and pasture seeding. We estimate these costs to exceed \$40,000.00.

Currently we are at maximum capacity at our rescue. We also have several horses & large breed dogs in safe houses (foster homes) in IA, NE and the bordering states due to the large number of abuse and neglect cases we have been dealing with. Many Owner surrenders have also been coming in at an alarming number.

We are looking for Volunteers to help us plan this Family Fun Day. The Family Fun Day will include several horse events. We will need several volunteers to man the food stations, cover the front gate and many other positions.

Anyone who is involved in a saddle club, owns horses or just loves animals in general please share this information with your family & friends to help us continue the work we do at Hooves & Paws Rescue, Inc. We are counting on you for your support!

If you can help us plan this event, want to be a volunteer or have any ideas for this event please e-mail us at info@hoovespaws.org. If your schedule does not allow you to get involved in this event please consider a donation to help with our expansion. Please mark your donation

"Hooves & Paws Rescue, Inc. Expansion".

We are still working on the event schedule. So far we have these events planned. Barrel Racing with great pay backs, Mounted Shooting, A Silent Auction, plenty of good food and in the evening Country music. Bring your dancing boots!
